

K. Rajesh Kumar

FULL-STACK WEB DEVELOPER · CUSTOM BUSINESS APPLICATIONS

PROFESSIONAL SUMMARY

Full-Stack Web Developer focused on practical, database-driven web applications for businesses. Builds responsive React interfaces, Node.js/Express APIs, authentication flows, management dashboards and business workflows. Portfolio projects include a clinic billing system, a restaurant digital signage platform, a staff checklist application, and a vendor management system. Focused on turning clear business requirements into reliable, usable applications.

EDUCATION

Diploma in Marine Engineering

PSN Polytechnic College, Melathediyoor
